

## Umbrella Update: Essential Services for Non-Members

When the unexpected changes your lifestyle and mobility, benefits of NJV membership for older adults age 60+ includes information about and access to some key services. NJV's partner, **Umbrella**, is providing only essential help –**shopping and non-touch delivery** - to members and non-members at a nominal processing fee! **Umbrella needs Volunteers** (who are not at high risk). **See message below.**

**Stay healthy & stay connected!**

**Updated Message from Umbrella:**

**Umbrella is opening up grocery and essentials delivery to all adults 60+, throughout the nation whether they are Umbrella Members or not.**

**Waiving Umbrella Membership & Hourly Fees!** So that we can make it easier for people to stay safe in their homes instead of being out and about, we are waiving membership and hourly fees during this quarantine period. There is a basic \$10 suggested contribution per order **payable via credit card for each essential task/delivery service** during the covid19 quarantine.

**Know anyone in need?** If you know other adults 60+ who need groceries, supplies, or medications to be picked up or delivered, please tell them to **visit us at [www.askumbrella.com](http://www.askumbrella.com), fill out form, or call us at 973-200-4499 with their list.**

**Will you help us help more people?** We're matching delivery requests with people who can help nationwide. We are using a combination of *online ordering* and an amazing *network of volunteers and paid workers* to get essentials to people however we can. **Please share this link with people in your circle who are not vulnerable:**
